

WELCOME TO OUR 65 ROSES CHALLENGE!!

Let's HELP the CFF raise \$65 MILLION by the end of 2020! The Rose Foundation has already raised over \$18,000 so far this year. Help us raise this amount to over \$20,000! Let's keep the momentum going on our Path to a Cure with the CFF!

"The CF Foundation [announced a new collaboration with Longwood Fund](#), a biotech-focused venture capital firm, to accelerate the next generation of transformative therapies for cystic fibrosis. The Foundation is committing \$20 million to launch a CF incubator that aims to incentivize early stage companies to prioritize CF drug discovery and development. Our agreement with Longwood builds on the Foundation's pioneering approach to venture philanthropy and positions us to take advantage of emerging science and progress our Path to a Cure for all people with CF."

As always, THANK YOU for supporting The Rose Foundation and cystic fibrosis!
We hope you are doing well and staying safe.

We send out our thoughts and prayers to all of you during this time of uncertainty and hold you all in our hearts for a safe and healthy life. If it is manageable to participate in any way or amount, all of those living with CF and their families will always be grateful to YOU!

It is an exciting time in the world of CF! Let's get us to the END and give our loved ones a healthier life so they can dream of a lifestyle beyond pills and treatments!

We deeply appreciate all of you and are so very grateful for those who are able to continue donating and reaching deep in their pockets to support and fight for a CURE.

We will keep connecting!
We will continue passing information to you.
And we will hold you all in our hearts!

Please continue to spread awareness and recruit others to FIGHT with us on our Path to a CURE !

As always, donations can be made online at [The Rose Foundation](https://www.therosefoundation.org/).

Important Note on Attendance at Events

To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times.
