

RUN FOR ROSES 10th ANNIVERSARY YEAR!

Run for Roses Week 3-4

Mid-Summer Dreams!

August 10, 2021. Ten years ago today, Colleen was entering her 4th week of her 1,000 mile run to NYC. Imagine the heat rising up from the pavement, the hills, the running of over 15 miles daily with no days off, pushing and pushing forward. Imagine those with CF, no days off, downing handfuls of pills, hours of treatments and running, pounding and clearing their airways for a healthier life. Today, we certainly are feeling the heat. We are all pushing forward while keeping up with the ever changing world of COVID. All of us and especially those with CF are once again being more careful, making choices each day on pulling back from large social gatherings, masking again. In short, we are taking care of all those around us so we can all live a healthy life. Let's get it right - let's push for our mid-summer dreams of a healthier life for all to become a reality!

The CFF is continually pushing forward on its *Path to a Cure*. They report that "after positive Phase 2 trial results, Vertex announced the company is moving forward with the development of a potential once-daily triple combination therapy. Two Phase 3 trials will begin later this year and will compare this once-daily therapy to Trikafta, which was recently expanded to include children ages 6 through 11."

With summer in full swing, it is great to have the Cardinals back! Thanks to all who participated in raising \$510 on our July Baseball Ticket Raffle; and congrats to the winner, Carol DeVanny Get your chance this week for a second set of 4 great seats to see the Cards vs Brewers in section 148. (see below)

Check out more of how *The Rose Foundation and Run for Roses is celebrating 10 years of running, walking and cycling for a cure for cystic fibrosis:*

One of Colleen's best friends, Jeff Stevenson, is hosting Football for Roses for The Rose Foundation once again! Jeff has created a **fantasy football pick'em league**, where a portion of the dues will be donated to The Rose Foundation. He will pay out some money to the winners of each week and for the whole season, but at least 50% will go to cure CF. **DON'T LET FOOTBALL BE THE REASON YOU DON'T PLAY!** All you have to do is try to pick the winners of each game, each week. The website (Yahoo!) tells you who the favorite to win is and tells you who most people are picking to win. Very easy!!

To Join:

1. Click this [link](#).
2. Click on "Join A Group" near the center of the page
3. Under "Join Private Group", use the GROUP ID #: 7623
4. Use the PASSWORD: curefound
5. Click on "Join Group"
6. Sign in with your Yahoo Account.....no big deal if you don't have one. **If you do not have a Yahoo! Account, it will prompt you to Create New Account.** (just takes 2 minutes)

The group is called Football For Roses. Once you join, Jeff has methods of payment you can send online for dues. Methods can be found under the "Commissioner's Note" on the "Overview" page of the league. The dues for the **WHOLE SEASON** are only \$35!! Let's see how many people we can get to have fun with this, while raising money for The Rose Foundation!!

If you are in a position to make a donation of an item, gift card or service for our silent auction in October, please email Linda at

caullinda@hotmail.com or text 314-952-7944. We are so grateful for all of you and all of your support over the past 10 years!! Your volunteering, donating, sponsoring and being a part of the creative board is what keeps us on the Path to a Cure!

Someone with CF is breathing more easily because of you. Let's spread awareness and raise funds 'til this job is done!

THANK YOU!

As always, if you have any dollars to spare, donations can be made online at [The Rose Foundation](#).
