

Happy Valentine's!

LOVE is in the air! AND I LOVE sharing this news with all of you!
The Cystic Fibrosis Foundation reports that by the end of 2019, when a new medication will be on the market -- 93% of those with cystic fibrosis will have a treatment which targets the underlying cause of their CF!

We are not finished yet!!! We are working for 100% - so all of those with CF, no matter their gene mutation, will have medications and treatments which will HELP them BREATHE easier! AND, of course, WE WILL NOT stop fighting and working until we find the CURE for CF!

So here is our CHALLENGE to YOU: whatever you can do--every dollar gets us closer--so--
Get your trivia tables together / join Team Run for Roses!
We need YOU to make this the best year ever!

We will not stop until CF stands for Cure Found.

Join Team Run for Roses

**Make a \$30 donation to our
Team [Run for Roses Great Strides page](#)
and get your team shirt TODAY!**

**Join Colleen as she sets the stage by running
the marathon in GO!**

**Every dollar you are able to GIVE
counts!**

**Your DOLLARS help someone
BREATHE easier and
LIVE a healthier LIFE!**

**PLEASE JOIN US ... JUST
TAKE A DEEP BREATH and click
[HERE](#) to help a CFer BE ABLE TO
TAKE THAT DEEP BREATH TOO!**

Important Note on Attendance at Events

To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times.
