

FROM KATIE

Hey everyone! I just wanted to let people know that I did not win the additional CF scholarship; another very deserving and dedicated CF graduate student did. Thank you so much for all the support and sharing everyone did! I'm very lucky to have such an amazing support system! I am very thankful for being awarded the \$3,000 CF scholarship from AbbVie!

This May I am finishing my Masters in Social Work at Washington University with the dream to support individuals with chronic illness and their families, as well as to work with my clinic and local CF Foundation office to develop a more robust mental health component for the CF clinics in St. Louis, Missouri.

BEER, BURGERS, BIKE & B&B RAFFLE!

Congratulations to our WINNERS!

First winner chose B,B,B & B Package #1 – Jeremy Wolfmeyer, sold by cyclist, Dave Herholz

TEAM RIDE FOR ROSES

Congratulations to our 12 cyclists at the CF Cycle for Life! AND to all 15 cyclists who collectively raised \$6,690 to date! Through winds and rains, once again they rode to their finish. They said that keeping those with CF in their minds during the tough weather miles helped them to continue on, knowing that the CFers cannot stop their treatments because of small things like weather. Thanks to all of our volunteers at

our Smartt Airfield Rest Stop and especially to all of you who sponsored and donated to our riders! You all helped push us towards more healthier tomorrows for those living with CF!

There is still time to DONATE til Nov. 5th!

Click [HERE](#) to DONATE to a team member! It is that easy!

Please remember to let us know if your business has a MATCHING DONATIONS program and double your donation!

Then help us cheer on Kayla Adams Cain's Team Ride for Roses in Florida - Central Florida CF Cycle for Life on November 11th!!!
