WE WON'T STOP 'TIL IT'S DONE!

Watch out for our newsletters each month leading up to *Run for Roses Trivia Night / Silent Auction*. We will be recapping some of the highlights in the CF world and progress that has been made these past years. Prominent are the four FDA approved medications targeting the underlying condition of cystic fibrosis which have been developed since 2011; Trikafta was the latest to become available in the fall of 2019 and has been life-changing for so many of those with CF!

It is because of YOU that the lives of so many of the 40,000 children and adults living in the U.S. with CF are healthier and happier!

WE WILL NOT STOP! There is much more to do so all of those living with CF will have a treatment that helps target their underlying disease process! We will forever be supporting the CFF and our local Gateway Chapter. **TEAM RUN FOR ROSES WILL REMAIN A GREAT STRIDES TEAM** and always accept your yearly donations through this portal! We hope you will continue to keep a Cure for CF in your minds and find space in your hearts for continued donations! We and all the families with a loved one who lives with CF will keep you in our hearts as well! Every dollar pushes us forward to a world where...

CF stands for Cure Found!

Sláinte,

Linda & Jeff Caul Family and
